

Northwest Business Development Association is pleased to announce the new 504 Loan Program Rural Initiative Pilot Program that was announced today. This program is for two years and runs from today, July 19, 2018 through July 20, 2020.

The purpose of this program is to provide rural small businesses with increased opportunities to access capital through the SBA 504 Loan program.

Therefore, Northwest Business Development Association can partner statewide with any lender for projects located in a "rural" or "mostly rural" county in Washington, Oregon, Idaho and Alaska.

We are excited to have the opportunity to reach out to these rural counties and help expand small businesses and their communities. You can find more information about this program by visiting our newly launched updated website, or by contacting your local NWBD A Business Development Officer.

**LEGEND**

BLUE= mostly urban (total=1,253) GREEN= mostly rural (total=1,185) ORANGE=completely rural (total=704)

**BOLD TEXT** = ACS 1- and 5-year estimates available(total=819) All others = ACS 5-year estimates only (total=2,323)
